[25:06] Petroc Trelawny: *The Gramophone Awards took place in London last night. We were previewing some of the earlier announced winners on the programme yesterday. Dame Emma Kirkby last night received the Lifetime Achievement Award – we will hear from her later on on the programme this morning. Jakub Józef Orliński, the countertenor, was Young Artist of the Year. The Hong Kong Philharmonic – Orchestra of the Year, and Artist of the Year – the Icelandic pianist Víkingur Ólafsson.
